From the Master of the Junior School

Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love. This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. 1 John 4:7-9

It has been another busy week in the Junior School, with staff and students engaged in a myriad of learning activities in and beyond the classroom. We particularly enjoyed having many of our fathers join us for the Kindergarten, Year 1 and Year 2 Father and Son Breakfast followed by Chapel this morning. The boys love opportunities to be at school with Dad, so thank you to the fathers who rearranged schedules to spend time here this morning. This morning’s message was one about how God helps us through the presence of His Spirit. It fits well with the messages to boys at our assemblies this week about teamwork and helping one another. Each boy has been reminded that one of the privileges of being in our school community is that we all have many avenues of help available to us. The responsibility that goes hand-in-hand with this privilege is to seek to be a helper to others as well. There are many opportunities to help one another every day. At school, one of the simplest but most important ways is to ensure that we co-operate with our peers and teachers to ensure that lessons and activities run smoothly. Poor choices and inattentiveness do not help anyone. Good choices, focus and co-operation help to foster an environment where everyone is able to make the most of their opportunities.

Last week, our da Vinci Decathlon teams matched wits with teams of school students from across Sydney in 10 disciplines including engineering, Mathematics, code breaking, art and poetry, Science and English. All of these tasks involve teamwork, mental dexterity, perseverance and a high degree of independence. The Trinity boys performed admirably and our coaches spoke glowingly of the approach taken by the Year 6 boys, especially those who demonstrated considerable development in the 12 months since last year’s competitions. Amazingly, the Year 5 team secured two podium finishes...3rd in Codebreaking and 1st place in English. These results are very gratifying and just reward for the hours spent practising skills and developing teamwork for the competition. Well done to both teams!

The Record Book is an important document for each family in the Junior School. As a tool for your son, it helps him to organise himself with his homework and provides information on School events and expectations. It is also an effective communication tool for parents and teachers. It is sighted each day by the teacher and we ask parents to do the same. Parents are also able to see upcoming Junior and whole School events. Please note the colour scheme for diary entries in the Record Book is; Black - Whole School, Dark Green - Middle and Senior School, Light Green - Preparatory School, and Blue - Junior School. I encourage all parents to monitor their son’s Record Book on a regular basis, ideally daily.

The Festival of the Arts is now in full swing, the twenty-first year of this celebration at Trinity. Tonight, our Concert Band musicians perform as part of the evening activities and many of our students have had artworks selected for display in a commemorative art exhibition in the Delmar Gallery. Next week, many of our boys will perform in Thursday evening’s Gala Music Concert which promises to be a spectacular celebration of the musicianship of student soloists and groups. I encourage everyone to try and catch at least one event during the festival and marvel at the talent and opportunities our students enjoy across the arts at this School.

The da Vinci decathlon is an annual event where schools from Sydney and beyond come together to compete in this rigorous tournament. A theme is given each year and this year the tasks revolved around the concept of Power. Our Year 5 and 6 boys competed against over 1000 students in ten events that included Engineering, Science, Mathematics, Creative Producers (Drama), English, General Knowledge, Code breaking and Ideation. Ideation is a new addition to the programme. It asks students to follow design thinking principles which included, in part, to design an ethical framework and apply this to solve real-world problems. Last week the boys were asked to consider ways to promote better sleep habits for young people.

This year our Year 5 Junior School team were victorious in the English division, coming first in this category. They also came third in the Code Breaking division. All the boys were exemplary in their attitude and behaviour at the competition. It is not an easy task to manage and collaborate with seven team members all day, ensuring that strict timelines are met for very challenging and demanding tasks. All the tasks are pitched for a very advanced level. The Junior School Trinity community should be very proud of the way Year 5 and 6 represented our School. They supported each other, understanding that collaboration means that sometimes you have to work on areas that are not your particular strength in order to support the team.

The boys who so ably represented our School are listed below:

Dear Parents,

We had a very successful day on many fronts with the three winter codes contesting generally close encounters in more lovely autumn sunshine.

In Football, the 1st XI had a convincing 4-0 win at Bressington Park against Grammar Edgecliff. Oscar Fryer (6G) scored a first half brace. The 11As won a tightly contested match 1-0 opposed to Cranbrook also at Bressington. Luca Bazdaric (5D) kept a ‘clean sheet’ in both those matches. Allen Zheng (4R) of the 10Ds also had a day out, scoring a rare double hat-trick in a 4-4 draw against Grammar St. Ives at Santa Sabina College, Strathfield. Our 11As Rugby team had a strong win 40-5 against Grammar St. Ives at Cooke Park. At Koola Park, our Year 6 and 4 White 7s teams secured two wins from two matches and in AFL at Pioneers Park, Maroubra, Trinity demolished Waverley to the tune of 67-0!

A reminder that on Tuesday mornings our Football ‘A’ teams, AFL and 1st XV Rugby have training before school. Mr. Borger, Mr Chan, Mr Page, Mr Lucas and Mr O’Young have planned these sessions carefully so it is very important that if you are in these teams you are ready to start warming up at 7:00am. Football is on Ovals 2 and 3, AFL is also on No 3 and Rugby on No 1.

Any Football Goalkeepers are welcome to come on Tuesdays as we have a specialist coach, Mr Barrett, to assist our last line of defence on No.3 oval. The 11A Rugby session is on Thursdays at 7.30am with Mr Munnoch. Boys in the other Football teams or Year 5 and 6 7s Rugby sides are welcome to attend their Year group sessions as well.

Gala Music Concert

As one of the few outstanding music schools in the nation we have a Symphony Orchestra, Symphonic Wind Band, Chamber Music groups and many ensembles made up entirely of young musicians currently at the School. Our Preparatory, Junior, Middle and Senior School choirs combine at this concert for their renowned vocal performance. These talented students, many of whom have attained their AMusA during their Middle School years, now wish to bring their passion for performance to you as part of this most entertaining night of music. Fresh from a recent tour of Italy and Austria by some of the groups, prepare for your chance to hear the talent of Trinity and get a glimpse of the musicians of tomorrow. This concert is to be dedicated to Mr and Mrs Cujes as they move towards retirement in December of this year.

Society of the Arts | Michael Kieran Harvey in concert

A champion of Australian music and himself a composer, Michael Kieran Harvey regularly commissions new Australian music and has performed with Australia’s leading contemporary music ensembles and orchestras.

Born in Sydney, he studied piano with Alan Jenkins, Gordon Watson, and at the Liszt Academy, Budapest, under Sándor Falvai. Now based in Tasmania, his career has been notable for its diversity and wide repertoire. He has especially promoted the works of Australian and contemporary composers and recorded many solo CDs on various labels.

Trinity Grammar School’s Society of the Arts is thrilled to present a solo performance by arguably one of Australia’s greatest pianists.
