“Let the one who boasts boast in the Lord.” For it is not the one who commends himself who is approved, but the one whom the Lord commends. 2 Corinthians 10:17-18

Dear Parents and Friends of the Junior School,

The corridors of the Junior School Building are alive with art which will be complemented by musical and drama performances when the Junior School Festival of the Arts Evening commences tonight at 5pm. Only students in performing groups will be allowed to enter the building before 5pm to allow them to set-up. The evening will also feature the unveiling of the new ‘Concepts Wall’ a spectacularly interactive major artwork featuring collaboration from our boys and schools across the globe. We hope that families will join us and have no doubt that you will be dazzled by the creativity and talent of our boys. Most groups are performing between 5.30pm and 6pm with the formalities scheduled for 6pm. The art will be accessible on Saturday morning (9-12pm) and remain on display in coming weeks.

Tomorrow morning we have an Open Day for prospective families. If you have friends who are interested in the wonderful things that are happening at Trinity, please encourage them to drop in. The Open Day begins at 9am in the Junior School followed by an opportunity to see the High School at 10am.

Congratulations to Taubman house who were declared the House Track & Field Champions for 2017 at Monday’s Assembly, ending the dynasty of Young House. Special congratulations to all the individual champions and runners-up in each age group. We wish all of our athletes the best for tomorrow’s second invitational carnival as they build towards the IPSHA Track and Field Championships later this month.

Age Champions & Runners Up

12 Years: Harry Groth & Kelvin Kong
11 Years: Oscar Fryer & Jack Martin
10 Years: Tom Bishop & Ethan Dunne
9 Years: Lachlan Reese & Kody Murphy
8 Years: Nivesch Balenthiran & Eason Fang (joint Champions)

This week, results of the NAPLAN tests undertaken by boys in Years 3, 5, 7 and 9 were distributed to parents. NAPLAN serves two purposes: to provide information on individual student achievement to parents and teachers; and to provide information to the School about the performance of the entire group of students who are sitting the assessments. Over the coming weeks a careful and thorough analysis of Trinity’s NAPLAN results will occur, as is done each year. At the individual student level, the results of the tests provide important information to schools and parents about what each student can (or cannot) do, and so can be used to support individual teaching and learning programmes. The individual student reports provide a useful snapshot of a student’s level of achievement at the time of the testing. Teachers at the School use these reports as a cross-check with their own, more extensive, understanding of a student’s progress, to confirm areas of strength or weakness, or to
highlight a new area to investigate further. In some cases, some areas identified may already have been addressed in the course of class programmes. If you wish to discuss your son’s NAPLAN results, please don’t hesitate to contact your son’s class teacher. For an overview of Trinity’s extremely pleasing results, please follow the link to the Academic Dean’s column and table of results accessible from this newsletter’s landing page. Parents in Years 2 and will also soon receive the results of recent Allwell testing. These assessments are not mandated by NESA but are undertaken at Trinity to contribute to the picture developed of each student’s progress over time. The results will similarly allow teachers to reflect on programmes and plan next steps in learning for individual students. Year 6 will undertake Allwell testing in coming weeks.

Next week is Book Week. Each year since 1945, the Children’s Book Council of Australia has hosted Children’s Book Week to honour and celebrate the work of Australian authors and illustrators. Miss Gratton has planned a full schedule of events across the week around the theme ‘Escape to Everywhere’. Author visits, competitions, an Auxiliary-provided lunch and a Book Fair have been scheduled. The climax of the week’s activities will be our Book Parade on Friday, 25th August between 9am and 10am in the Sports Centre (adjacent to the Junior School). Parents and grandparents are warmly invited to enjoy the fun. We would especially love parents and grandparents to purchase some books for their children at our Book Fair as the School receives credit to be able to expand our Library collection.

This term’s Parent Information Forum is scheduled for next Wednesday 23rd August. It will be held in the Junior School, commencing at 7pm. Presentations will include ‘The Approach to Teaching Numeracy’ and an update on our Term Life Skills focus including reflections of Term 2 and this term’s topic ‘Anti-Bullying’. We hope that regular Life Skills updates equip parents with knowledge of what the boys are learning so that this can be consolidated and supported at home.

You will very soon receive the first direct correspondence concerning our inaugural Student-Led Conferences on the afternoon/early evening of Thursday 31st August, with booking links. During the conference each boy will highlight his areas of growth and development and share his future learning goals with you. Student-Led Conferences provide boys and parents a rare opportunity to sit and talk about learning. I cannot overstate how strongly I encourage parents to book an hour in the classroom with your son, as the conferences will be a very rewarding experience for all involved and are not to be missed. Also, keep an eye out for a guide that will be emailed to you in coming days to help orient you to the experience that awaits.

If you have not already diarised the following event, please note:

- **Fathers’ Day Stall** on Thursday 31st August
- **Year 5 Father & Son Breakfast** on Friday 1st September – book via Community Directory
- **Year 5 Parent Information Session - Student Motivation and Engagement** on Monday 4th September
- **Junior School Auxiliary Walk-a-thon** on Thursday 7th September
- **Grandparents’ Morning (K-2)** on Friday 8th September

2017 NAPLAN reports were sent home today to parents of boys in Years 3, 5, 7 and 9. The results of these tests, which were conducted early in Term 2, provide a point-in-time snapshot of a student’s performance in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy skills. This information is shown on a national achievement scale covering ten bands, of which six bands are reported on for each Year level and each test. The performance of individual students can then be compared to the average performance of all students in Australia.

The tests also provide the School with important data which can be used to direct our focus on achieving further academic gains with our boys, and remediating comparative weaknesses. Overall, it is very pleasing to note the continued outstanding academic standards being displayed by our boys in these tests. In the tables below you will find a summary of the average NAPLAN scores as well as the percentages of students achieving at a proficiency level (top two bands). A comparison is also provided between Trinity students and all students in NSW.
The School conducts a thorough analysis of the NAPLAN test results. However, NAPLAN is just one contributing piece of a great variety of data that we use at Trinity to respond to student learning needs and inform our practice. Parents are encouraged to view their son’s results in the same light, as one piece of the ‘reporting pie’, alongside all the other information received regarding their son’s learning.

For parents of a boy in Year 9, your son is amongst the first cohort of students in NSW required to meet the new HSC minimum literacy and numeracy standards in 2020. It is important to note the following:

- No student will be ineligible to receive a HSC solely on the basis of their Year 9 NAPLAN results. This has become an unfortunate misunderstanding. Year 9 NAPLAN tests in 2017 are just the first opportunity for students to pre-qualify for the minimum HSC literacy and numeracy standards in 2020 by achieving Band 8 results or above in the reading, writing and numeracy tests only. Year 9 boys who achieve a Band 8 in reading, writing and numeracy will then not need to sit online tests later in Years 10, 11 and 12, because they have shown that they have already met the minimum standards.
- It is anticipated that around two thirds of Year 9 students across the state will not achieve a Band 8 in Reading, Writing and Numeracy.
- From 2018, there will be at least two opportunities a year in Years 10, 11 and 12 for students, who have

not pre-qualified in Year 9, to show that they have met the minimum HSC literacy and numeracy standards. These will be short (45 minute) online tests and students will only sit the specific tests (reading, writing or numeracy) that they have not pre-qualified for in Year 9, when they are ready. NESA has made available sample online tests for students, teachers and parents at https://hscliteracynumeracy.nesa.nsw.edu.au/.

- The learning that occurs in English, Mathematics and other subject areas in Years 10, 11 and 12 is a very appropriate way for students to improve their literacy and numeracy skills to meet the minimum standards.
- The minimum standards of literacy and numeracy only apply to the awarding of the Higher School Certificate, and do not have any relation to the International Baccalaureate Diploma or the awarding of an ATAR for university entry.

If parents would like further information about the new HSC minimum standards for literacy and numeracy, please refer to the link below:

A Trinity education seeks to engage the Mind, Body and Spiritual development of all our boys. Our commitment to academic excellence is within a holistic educational environment that seeks to nurture and encourage our boys to “…grow in wisdom and stature and in favour with God and man.”

Jason Cheers | Academic Dean
Book Week: 21-25 August 2017

The Children’s Book Council of Australia (CBCA) Book Week is next week, and we have been busy planning a range of events and activities that will take place during the week. The theme for Book Week this year is ‘Escape to Everywhere’.

Scholastic Book Fair 22-25 August

As we did last year, we will again be running a Book Fair during Book Week, with a range of books and other items from Scholastic Australia on display in the Junior School Library for boys to purchase and take home. The Junior School will receive a percentage of the sale proceeds to purchase books for the library collection or teaching resources for classrooms.

Each class will have an initial timetabled opportunity to browse the Book Fair on Tuesday 22 August, and boys are also welcome at other times during library opening hours (before school, lunch and after school). Parents are also invited to browse the Book Fair at these times, and the Book Fair will also be open for parents following our Book Parade on Friday 25 August.

Payment for items at the book fair can be made with cash or eftpos, or alternatively boys can fill out a wish list at the Book Fair (with help from Library staff) to take home for credit card payment online, and show their receipt the following day to collect their books. We have some preview catalogues available on the front desk in the library now. Some of the books available will include *Weirdo 8, Bad Guys Episode 5* and *Tom Gates: Family, Friends and Furry Creatures*.

Book Parade 25 August

All boys are encouraged to dress as their favourite book character and participate in the Book Parade, which is one of the highlights of the week. Parents are most welcome to attend to watch their son participate in the parade, and indeed are welcome to dress in character too! Boys will stay in costume for the day, but must travel to and from school in uniform unless they are dropped off and picked up in the carpark.
When: Friday 25 August
Time: 9am-10.30am
Where: Sports Centre adjacent to the Junior School

What to wear: Costumes may be homemade or bought, with the only criteria being that the character must appear somewhere in print form (book, magazine or graphic novel). The costume does not have to align with the *Escape to Everywhere* Book Week theme. It would be ideal if the boys could bring along the book (or a picture of the cover) that their character appears in, to carry in the parade and assist our special guest judges (Mr Dunn and Miss Gaspari).

Performances

We have booked two incursion performances to celebrate Book Week, one for K-2 boys and one for Year 3-6 boys, that will take place during the school day.

Boys in Years 3-6 will attend an afternoon session on Friday 25 August in the Arthur Holt Library with Mark Greenwood, author of books including the History Mystery series, Jandamarra, Simpson and his Donkey and more.

Boys in Kindergarten-Year 2 will attend a performance on 1 September in the Latham Theatre, presented by Perform Educational Musicals and titled ‘Super Duper’. It is themed around the Book Week theme of Escape to Everywhere, and ties in nicely with their units on How We Express Ourselves.

We hope the boys will enjoy these valuable opportunities to interact with and learn from published children’s authors/performers.

I am sure that the boys will enjoy the opportunity to participate in this whole school celebration of literature and reading. If you have any questions regarding any of the Junior School’s Book Week events, please contact me at ggratton@trinity.nsw.edu.au or pop into the Library before or after school to chat.

Gillian Gratton | Teaching and Learning Librarian
Dear Parents,

Our final round of winter sport on August 5th produced some strong results across the day. Highlights included our 1st XV and 11A rugby sides both defeating Grammar St. Ives at Cowper Oval.

Years 4-6 have moved straight into the second half of their summer season and will continue to refine skills and in some cases re-trial for teams heading into the second half of the summer season. As mentioned, round 7 of Saturday Sport, October 14 will be the next occasion of Saturday fixtures. A draft draw is being put together and will come out later this term.

The annual Track & Field carnival held on Monday, August 7th was run in fine, if at times blustery conditions. Congratulations to Taubman House who were victorious. The points tally and age champions and runners up are listed below. It was a very close contest particularly for 2nd place with only 12 points covering second to fourth spot.

The second of 3 consecutive Saturdays for boys who impressed with their results in the T&F carnival and/or in recent P.E. lessons, where we have conducted both High Jump and Discus continues at SOPAC warm up track tomorrow. All boys invited have brought home a note with times of events. After the 3 meets an abridged team will be chosen for the IPSHA Track & Field meeting, held at SOPAC (Main Track) on Tuesday, August 29th.

The annual Year 6 vs Year 7 (U12s) fixtures for Rugby & Football took place last Wednesday at Summer Hill. The Year 7s proved too strong in both encounters. Both primary campuses played half a match each in the football to give more boys an opportunity.

**Junior School Track & Field Results**

| 1st Taubman | 297 points |
| 2nd Latham | 256 points |
| 3rd Young | 253 points |
| 4th Founders | 244 points |

**2017 Junior School Track & Field Age Champions:**

**12 Years Champion: Harry Groth (Fo)**
Runner Up: Kelvin Kong (Ta)

**11 Years Champion: Oscar Fryer (La)**
Runner Up: Jack Martin (Ta)

**10 Years Champion: Tom Bishop (Yo)**
Runner Up: Ethan Dunne (La)

**9 Years Champion: Lachlan Reese (Fo)**
Runner Up: Kody Murphy (Ta)

**8 Years Champion: (Tied) Nivesch Balenthiran (La) and Eason Fang (Yo)**

Chris Robinson | Sports Master
Music Corner

At the recent Junior School Assembly, we were entertained by Charlie Scott-Shires. Charlie played *Salt And Pepper* by Elissa Milne on the piano. He has been learning piano for four years and also learns oboe with Mr Grimm. Charlie sings in the Junior School Choir and plays oboe in the Concert Band. His sports of choice are basketball and rugby, but enjoys his video games too. When it comes to piano Charlie says, "It's easy to learn and fun to play". We congratulate Charlie on his performance and look forward to presenting him an honours certificate from his recently completed AMEB piano examination.

Art Exhibition Première

Last Friday morning the Junior School Choir met one of the TGS Junior School Composer Fellows for 2017. Mr Ben
Robinson studies composition at the Conservatorium of Music and has written *The Bike Song* especially for the Junior School Choir. Some of the 2017 music leaders interviewed Mr Robinson and wrote this report.

On Friday, 11th August, 2017, Mr Ben Robinson came to listen to the Junior School Choir sing the piece he composed for us. While he was here, Mr Adams and the Music Leaders interviewed him.

Mr Robinson is an Australian composer and has written *The Bike Song* for the Junior School Choir to première at the Arts Festival. His education started at a school in Port Macquarie, called Saint Columba Anglican School which was a relatively new and small school that started in PK and went all the way to Year 12. Although St Columba is small, it had a great music programme. There was an all boy choir ensemble, all girl choir ensemble, Senior Choir, Chamber Choir, Jazz Band, Concert Band and a String Ensemble. His first musical experience was at an early music class and he enjoyed tapping rhythms and rhyming. As he grew up, he played the piano. When he was in Year 12, there were only about 50-60 people in his year. In Year 6, we have about 75 students! He became the best at music in his year. During his musical education at St Columba he barely composed anything, but soon he was inspired to become a composer.

He is now in the Sydney Conservatorium of Music learning about becoming a composer. For his course, he has to write a composition every semester. In his first semester, he composed for a Clarinet Quartet. Since then he has written two saxophone quartets. In his fourth semester, he has composed for us. He is currently learning about Electronic Acoustics, which is manipulating music on a computer.

*The Bike Song* contains two parts: Treble 1 (higher) and Treble 2 (lower). The starting point for the song was the lyrics because as Mr Robinson said, “If the lyrics aren’t exciting, the song won’t be enjoyable”. *The Bike Song* was one of the easier compositions Ben has written. It only took him 3 weeks on and off.

Every musician has a role model. He was inspired by Paul Stanhope and Ross Edwards, who are both Australian Composers. He had to learn about them as the HSC Music Courses require students to listen and learn about Australian Composers. One of Mr Robinson’s favourite singers is Ben Folds, who is an American Singer-Songwriter.

We would like to thank Mr Robinson for writing for us and Mr Adams, Mrs Ortega and Mr Kinda who made it possible for us to learn Mr Robinson’s music and meet him in person. It it not common for people to actually meet a composer, especially a composer who has written a song for you. We hope you enjoy our performance on Friday night.

*Kyle Tran, Kelvin Kong, Benjamin Zarate and Ari Guan.*
DATES FOR THE DIARY | JUNIOR SCHOOL

TERM 3

WEEK 6

21 Aug Book Week commences
21 Aug Y3 Botanical Garden Excursion 8.45am
21 Aug Cru Excursion FIT 12noon - 3pm

Fathers' Day Stall 2017 | Junior School

FATHER’S DAY STALL 2017

Limited Stock - Pre order your gifts so you don't miss out!

Last year’s stall was so successful we sold out of some items on the day! We strongly encourage you to pre order so no one is disappointed! The boys will collect their gifts already packed at the stall PLUS we will have a selection of $5 novelty Father’s Day items available to purchase on the day.

Stall will be held on Thursday 31st August, 2017

Click here to view this year’s gifts.

Click here to order online.

Brought to you by the Junior School Auxiliary
Trinity Prayer Group | Summer Hill Campus

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays | 8.30am - 9.30am

The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill – meet at Reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8,)

Term 3: August 22nd, September 5th

Term 4: October 17th, 31st, November 14th, 28th

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.
